ONSITE BBQ CATERING

Our Onsite Catering is designed to feed groups of 20 or more at a very reasonable price. You simply choose the menu items you desire to determine the price per person (tax is included but not gratuity). We provide all the fixings! We deliver at your requested time and set your table(s) for either full service by our staff or casual buffet style for guest self service. All of the containers and utensils for self service are disposable for easy clean up (for china, silverware, linens, etc additional fees apply).
